Mr. Dieter Polak
Volatile Free Inc.
P.O. Box 344
Brookfield, WI 53008

Customer ID: 1000009307
Subject: Test results for Approval testing of VFI-730 Polyurethane Spray Foam
Roof Insulation and VFI 540FR and VFI-540US Roof Covers
Project ID: 3032815

Dear Dieter:

I am writing to outline the testing completed to date for the subject project. Please be advised that Volatile Free's VFI-730 Polyurethane Spray Foam and VFI 540FR and VFI 540US have successfully completed the testing necessary for FM Approval in selected categories.

The Approval will become final upon issuance of the Approval Report. The Report has been completed and is awaiting final signatures.

Sincerely,

David L. Alves
